Click Search button again to hide search bar

has shadow/darker border when selected?

CLUB MANAGERS

/Manager homepage same as /userhomepage

⇒ can't update events directly from here, as they may be a regular (not manager) member of another club

To update/add events, they must either:

- { (1) go to /[club name] homepage & manage events from there, or
- (2) go to /userprofile/manage events

need to update this. There are multiple possible paths to update/add events

same

SYSTEM ADMINS

Other things to consider

⇒ when on /MANAGE CLUBS, /MANAGE CLUB MANAGERS or /MANAGE USERS

have a way to filter list

- i.e. filter people by club/faculty/etc..

After login ⇒ go to /ADMINHOMEPAGE 29

Webpage Title

Admin Centre

Clubs 0 Manage clubs	Club Managers 0 Manage club managers	System Admins 1 Manage system Admins
Users 1 Manage users	Invite Admins Add system Admin	

Each club can have a different number of club managers

The count for users includes club managers & system admins. Only those with an account; does not account for users with multiple accounts.)
